

Genuine Dupps parts for decanters and separators

Dupps Centrifuge Group maintains one of the largest inventories of OEM and aftermarket replacement parts for decanters and vertical disc centrifuges — including the critical parts you need to maximize uptime. Hundreds of the highest quality gaskets, seals, bearings and specialty machined parts are available for same-day shipment from our climate controlled warehouse.

In addition, Dupps Centrifuge Group's full-time staff performs expert maintenance, repair and renewal of nearly every decanter and separator, including on-site inspection and repair.

DUPPSTM
