Manufacturer of Process Machinery

To Whom It May Concern,

The Dupps Company (“Dupps”) has been identified as an Essential Critical Infrastructure industry within the Food & Agriculture industry and, therefore, exempt from the Director’s Stay at Home Order issued by Dr. Amy Acton, the Director of the Ohio Department of Health, on March 22, 2020 (the “Stay at Home Order”).

The Stay at Home Order incorporated within it the March 19, 2020, Memorandum issued by The Department of Homeland Security, Cybersecurity and Infrastructure Security Agency (the “CISA Memorandum”) which expressly identifies the following as critical exempt employees:

Food Manufacturing employees and their supplier-employees, including those employees in the meat processing and human food facilities producing by-products for animal food (i.e., the animal slaughtering & processing industry, as well as in the animal food manufacturing industry).

All Dupps personnel are given permission to report to and from work as essential travel under the Director’s Stay at Home Order, currently in place until 11:59 pm on April 6, 2020.

In the event of questions, or if confirmation of employment is required, please contact me directly at 937-855-6555.

Thank you for your support,
Sincerely yours,

A handwritten signature in blue ink that reads "Frank N. Dupps, Jr.".

Frank N. Dupps, Jr.
President
