

**ONLY FROM DUPPS —
EXCHANGE PROGRAM FOR
EVERY H-STYLE LAMELLA PUMP.**

EASYXCHANGE

**NEED A PUMP?
GET A PUMP.**

With the Dupps **easyXchange** program, you can quickly exchange your worn out H-style Lamella pump with a newly remanufactured one. So you get a pump within days rather than months, and can potentially reduce your own replacement inventory.

EVERY PUMP IS ELIGIBLE.

Don't have a Dupps pump? No problem, we can remanufacture every H-style Lamella pump, regardless of make or model.

PICK UP AND DROP OFF.

Our regularly scheduled route truck driver simply delivers your remanufactured pump and picks up your old one. Need it even faster? With inventoried units always on hand at our Germantown OH, Atlanta GA, Ankeny IA and Oklahoma City OK locations, we can handle any emergency delivery and lower your downtime to an absolute minimum.

Simple, flat-rate competitive pricing helps stretch your maintenance dollars and provide budget certainty.

See reverse for more program details.

DUPPSTM

EASYXCHANGE

Exchange program for every H-style Lamella pump

- **To order your replacement H-style Lamella pump through the Dupps easyXchange program —**

Simply provide your Dupps Sales Representative with an advance purchase order, including the pump rotation (clockwise or counterclockwise) you require. Your replacement pump will be delivered on your route truck driver's next scheduled stop; please have your old pump ready for pick-up at the same time.*

- **Program pricing**

For current easyXchange pricing, please contact your Dupps Sales Representative. Replacement pump pricing is inclusive, including regularly scheduled route truck delivery. Emergency drop shipping will incur an extra delivery charge.

Upon rebuild of your old pump, additional charges may apply if the machined pump housing, pump housing end plates or bearing housings require replacement.

Contact your Dupps Sales Representative for further information.

*Please note that badly damaged or heavily modified units are not eligible for the easyXchange program.
