

SUNRISE USA

SPECIALISTS IN HEAVY RIGGING, MANUFACTURED EQUIPMENT AND SERVICE TO THE RENDERING INDUSTRY, SUNRISE USA HAS JOINED THE DUPPS FAMILY OF COMPANIES. TOGETHER WITH DUPPS, SUNRISE WILL CONTINUE TO GROW ITS OUTSTANDING REPUTATION FOR QUALITY, COST EFFECTIVENESS AND TRUSTED CUSTOMER SUPPORT.

With years of experience in the rendering industry, Sunrise has established itself as a leader in key areas of plant operations, assuring that every job is done right, and on time.

- As **heavy rigging specialists**, you can trust the Sunrise team to safely and efficiently install and remove even the largest rendering machinery, ancillary systems and major machine components — including cooker and dryer shaft changeouts.
- Sunrise offers a wide range of manufactured equipment, including fabrication and assembly of material bins, tanks, conveyor equipment and more. One of the rendering industry's mainstays, the **Sunrise® Hydrolyzer**, joins the Dupps Continuous Hydrolyzor® in providing flexibility and choice for our customers.
- Sunrise provides **OEM parts and service** for the Sunrise Hydrolyzer, and service on other machinery and component systems, such as Dupps Precrushors®, drum dryer gear and other gearboxes, and additional rendering equipment.

To discuss your service, installation or equipment needs, call Sunrise at 859/472-2480, or visit www.sunrise-dupps.com.
