

UNIVERSAL MAINTENANCE USA

AS A VITAL MEMBER OF THE DUPPS FAMILY OF COMPANIES, UNIVERSAL MAINTENANCE PROMISES ON-TIME AND ON-BUDGET PERFORMANCE FOR A WIDE RANGE OF RENDERING PLANT CONSTRUCTION, FABRICATION AND INSTALLATION SERVICES — PLUS UNSURPASSED FACILITIES AND EQUIPMENT MAINTENANCE CAPABILITY.

Universal Maintenance offers 'lock and key' service throughout your plant:

Plant Equipment Installation and Set-up — Prebreakers, Hammermills, Centrifuges, Presses, Cyclones, Scrubbers and more

Material Handling and Conveyors • Storage Equipment and Tanks

Building Construction • Rigging and Crane Work

Process Piping and Pipefitting • Floor Drains • Walkways and Platforms

Waste Water Installations and Equipment • Water Filtration Systems

Duct Work • Concrete • Insulation • General Plant Maintenance

- Universal Maintenance has a fully equipped and staffed fabrication shop — our fabrication capability, combined with dedicated field service, give our customers a competitive edge by reducing breakdowns, maintaining equipment, and having us readily available in an emergency.
- We're available for any kind of job, large or small. From short-term work orders to projects lasting months, customers often see our crews as an extension of their own plant's service team.
- Universal Maintenance adheres to strict safety policies and provides on-going safety education programs to all employees. Our consistently high EMR ratings reflect our commitment to providing quality work under the tightest safety considerations.

Let's talk about your construction, fabrication, installation or service needs today.
